Community
Buddies required!

Could you offer buddy support to a young person with a disability?

We deliver one of the community buddy schemes in the boroughs of BASINGSTOKE & DEAN and HART & RUSHMOOR with opportunities for neighboring boroughs.

We are currently looking to recruit an experienced pool of people, who can offer out-of-school support to young people aged 7-19 requiring assistance to participate fully in a range of leisure and recreational activities from walks, sports to shopping and computer gaming. This is a great opportunity to gain skills and make a real difference, with an initial commitment of 6 months to the project! Interested? Want to know more?
